

# Brown Owl

*Brown Owl* is a Mountain Rescue Owl. When the monsters ski at the top of Monster Mountain, she is there to keep them safe. She looks out for danger. Her eyesight is excellent!

She has a dog called Bounder who also watches out for monsters in danger from the top of *Brown Owl's* mountain treehouse. If a monster gets lost, *Brown Owl* swoops into action to help save them with her trusty dog Bounder at her side.

*Brown Owl* likes to read comics. She loves to talk in comic book language - POW! WOW! OW!

She is a very clever monster and often excels at *Green Froggy's* garden school.
