

Green Froggy

Green Froggy is a teacher. She lives in a large green teapot house that has a beautiful garden school. The other monsters come to her garden school. They sit on tree stumps and lily pads and listen to her teach.

On the wall, she has a pupil of the day poster, which tends to be *Brown Owl*. Although her pupils are well behaved, some monsters tend to get into trouble during the school day:

- *Miss Oh No* for talking.
- *Cool Blue* for singing.
- *Angry Red A* for breaking things.
- At playtimes, *Yellow I* likes to spy on people.

Sometimes, *Tricky Witch* causes chaos in school with a spell or two. The monsters also do jobs, as well as going to *Green Froggy's* school.

Like most teachers, *Green Froggy* drinks tea and coffee.
