

Miss Oh No

Miss Oh No loves to dance more than anything else in the world. All the monsters like her. She has a special admirer called *Polo*. *Polo* is not a main character but comes to visit from far away to see *Miss Oh No*.

Miss Oh No likes to go to the Friday disco. She loves to wear her amazing shoes and create new dances. She is a disco dance teacher and gives lessons to all the monsters after school.

Miss Oh No is also the lead singer in the monsters' band, which features *U-Hoo* on drums, *Cool Blue* on lead guitar and *Angry Red A* on bass guitar.

Miss Oh No's house is amazing. She lives inside a huge pink-coated, donut-shaped house.
