

Tricky Witch

Tricky Witch lives in the haunted house with the *Silent Ghosts* and the *Black Cats*.

Her *nieces*, the little witches, often come to visit her. Along with the Ghosts, *Tricky Witch* takes care of the Black Cats. They live in a *huge* basket in her haunted house.

Tricky Witch casts 'tricky' spells on the school to mess things up. She has a lot of fun!

She is creative but quite naughty. The monsters greatly *enjoy* her *magic*! *Tricky Witch* also likes to cast spells in Monster Phonics Land and can accidentally cause chaos. She is a kind witch who *loves* to *meddle* and have fun.

Every Friday, *Tricky Witch* waves her *magic* wand to give *Angry Red A's* cave a different look for the Friday Monster Disco. *Tricky Witch* *loves* jewellery and likes to wear gold.
